50 TREES FOR 50 FESTIVALS

This year the National Folk Festival is partnering with Greening Australia, a community based not-for-profit organisation dedicated to conserving and restoring our unique Australian landscapes. The Festival will give Greening Australia \$1 from the sale of each Festival Program to support the planting of native trees and shrubs as part of our "50 trees for 50 Festivals" project. Greening Australia will also be located in the Conference Centre near the Festival Office during the day. To find out more about Greening Australia pop in for a chat or visit www.greeningaustralia.org.au
